Dear Mr. Pocci:

The Miscellaneous Repair Biennial Contracts: 2020-2022 will be awarded to Cliffside Paving LLC. On March 19, 2020, OMI has prepared a repair project for April 2020. The estimated costs of these repairs are based on unit prices bid by Cliffside Paving LLC.

Attached is the scope of work and estimated construction costs for the Miscellaneous Repair Biennial Contracts: 2018-2020 - April 2020 Project. OMI developed the list based on field inspections and resident concerns, and has estimated quantities and costs for the project.

The proposed April 2020 Project consists of two repairs in Hoboken, one repair in Union City and five repairs in Weehawken. The Construction costs for the eight repairs is estimated to be \$27,250.00 and repairs should be completed in four weeks.
