The low bidder, Jo-Med Contracting Corp of Elizabeth, New Jersey, submitted a bid in the amount of \$192,800.00, which was \$75,850.00 less than the second low bidder submitted by J. Fletcher Creamer. The low bid was \$32,350.00 lower than the Engineer's Estimate of \$225,150.00.

The low bidder, Jo-Med Contracting Corp, has demonstrated the ability to successfully complete the work on similar projects on the behalf of the Authority in the past.

Our office has contacted Jo-Med Contracting Corp and they have indicated that they are willing to enter into a contract with the Authority to perform the work.

In our opinion, the Authority has received a competitive and responsive bid for the project. Accordingly, we recommend that the Authority award the Contract to Jo-Med Contracting Corp in the amount of \$192,800.00 subject to review of legal counsel.

Should you have any questions regarding the above, please do not hesitate to contact me.

Very truly yours,

Mott MacDonald
