The low bidder, JR Cruz Corp of Aberdeen, New Jersey, submitted a bid in the amount of \$222,150.00, which was \$5,625.00 less than the second low bidder submitted by New York Concrete Corp. The low bid was \$150 less than the Engineer's Estimate of \$222,300.00.

The low bidder, JR Cruz Corp, has demonstrated the ability to successfully complete the work on similar projects on the behalf of the Authority in the past.

Our office has contacted JR Cruz Corp and they have indicated that they are willing to enter into a contract with the Authority to perform the work.

In our opinion, the Authority has received a competitive and responsive bid for the project. Accordingly, we recommend that the Authority award the Contract to JR Cruz Corp in the amount of \$222,150.00 subject to review of legal counsel.

Should you have any questions regarding the above, please do not hesitate to contact me.

Very truly yours,

Mott MacDonald
