The apparent low bidder, Colonnelli Brothers of Hackensack, New Jersey, submitted a bid in the amount of \$627,800.00, which was \$15,075.00 less than the second low bidder submitted by JMS Sanzari. The low bid was \$35,450.00 lower than the Engineer's Estimate of \$663,250.00.

The low bidder, Colonnelli Brothers is a reputable company that has demonstrated the ability to successfully complete the work on similar projects.

Our office has contacted Colonnelli Brothers and they have indicated that they are willing to enter into a contract with the Authority to perform the work.

In our opinion, the Authority has received a competitive and responsive bid for the project. Accordingly, we recommend that the Authority award the Contract to Colonnelli Brothers in the amount of \$627,800.00 subject to review of legal counsel.

Should you have any questions regarding the above, please do not hesitate to contact me.

Very truly yours,

Mott MacDonald
