On Wednesday, April 6, 2022 at 11:00 AM, bids were received for the above referenced contract. Two bidders submitted proposals in the amount which ranged from \$1,397,775.00 to \$1,498,000.00.

The apparent low bidder, National Watermain Cleaning Company of Kearny, New Jersey, submitted a bid in the amount of \$1,397,775.00, which was \$100,225.00 less than the second low bidder submitted by CRS Contractors Inc. estimate of \$1,557,250.00.

As the attached bid summary indicates National Watermain's bid is \$159,475.00 lower than our Engineer's estimate which indicates that the Authority received competitive proposals.

The low bidder, National Watermain Cleaning Company is a reputable company that has demonstrated the ability to successfully complete the work on similar projects.

Our office has contacted National Watermain Cleaning Company and they have indicated that they are willing to enter into a contract with the Authority to perform the work.

In our opinion, the Authority has received a competitive and responsive bid for the project. Accordingly, we recommend that the Authority award the Contract to National Watermain Cleaning Company in the amount of \$1,397,775.00 subject to review of legal counsel.

Should you have any questions regarding the above, please do not hesitate to contact me.

Very truly yours,

Mott MacDonald
