Subject: Miscellaneous Repair Biennial Contracts: 2022-2024  
May 2022 Project

Dear Mr. Pocci:

The Miscellaneous Repair Biennial Contracts: 2022-2024 will be awarded to Cliffside Paving LLC. On March 17, 2022, OMI has prepared a repair project for May 2022. The estimated costs of these repairs are based on unit prices bid by Cliffside Paving LLC.

Attached is the scope of work and estimated construction costs for the Miscellaneous Repair Biennial Contracts: 2022-2024 – May 2022 Project. OMI developed the list based on field inspections and resident concerns, and has estimated quantities and costs for the project.

The proposed May 2022 Project consists of one repair in Union City, three repairs in West New York, and nineteen repairs in Weehawken. The Construction costs for the twenty-three repairs is estimated to be \$110,750.00 and repairs should be completed in four weeks.

If you have any questions or require additional information, please contact me.

Sincerely,

*Philip Reeve*
