The Miscellaneous Repair Biennial Contracts: 2022-2024 will be awarded to Cliffside Paving LLC. On March 17, 2022, OMI has prepared a repair project for September 2022. The estimated costs of these repairs are based on unit prices bid by Cliffside Paving LLC.

Attached is the scope of work and estimated construction costs for the Miscellaneous Repair Biennial Contracts: 2022-2024 – September 2022 Project. OMI developed the list based on field inspections and resident concerns, and has estimated quantities and costs for the project.

The proposed September 2022 Project consists of seven repairs in Hoboken, seven repairs in Union City, and one repair in West New York. The Construction costs for the fifteen repairs is estimated to be \$74,375.00 and repairs should be completed in four weeks.
