The apparent low bidder, Colonnelli Brothers Inc of Hackensack, New Jersey, submitted a bid in the amount of \$413,515.00, which was \$18,300.00 less than the second low bidder submitted by Montana Construction Corp. Inc. bid of \$431,815.00.

As the attached bid summary indicates Colonnelli Brothers Inc bid is \$10,710.00 lower than our Engineer's Estimate which indicates that the Authority received competitive proposals.

The low bidder, Colonnelli Brothers Inc is a reputable company that has demonstrated the ability to successfully complete the work on similar projects.

Our office has contacted Colonnelli Brothers Inc and they have indicated that they are willing to enter into a contract with the Authority to perform the work.

In our opinion, the Authority has received a competitive and responsive bid for the project. Accordingly, we recommend that the Authority award the Contract to Colonnelli Brothers Inc in the amount of \$413,515.00 subject to review of legal counsel.

Should you have any questions regarding the above, please do not hesitate to contact me.

Very truly yours,

Mott MacDonald
