At the Authority's request, we obtained proposals from the three Contractors to perform sewer repairs along 27th Street between Summit Avenue and JFK Boulevard in Union City.

The scope work consists of open cut excavation to perform a spot repair of approximately 20 LF to remove a damaged section of the existing 15-inch VCP sewer. We are performing this work to prevent a potential collapse in a newly paved area.

The three proposals are summarized as follows:

- | | |
|------------------------------|-------------|
| 1. J. Fletcher Creamer: | \$76,494.00 |
| 2. Montana Construction | \$45,522.96 |
| 3. Colonnelli Brothers, Inc. | \$39,500.00 |

The low bidder, Colonnelli Brothers, Inc. is a reputable company that has demonstrated the ability to successfully complete the work on similar projects.

Our office has contacted Colonnelli Brothers, Inc. and they have indicated that they are willing to perform the work.

In our opinion, the Authority has received a competitive and responsive proposal for the project. Accordingly, we recommend that the Authority award the work to Colonnelli Brothers, Inc. in the amount of \$39,500.00.

Should you have any questions regarding the above, please do not hesitate to contact me.

Very truly yours,

Mott MacDonald
