Dear Mr. Pocci:

The Miscellaneous Repair Biennial Contracts: 2022-2024 will be awarded to Cliffside Paving LLC. On March 17, 2022, OMI has prepared a repair project for August 2023. The estimated costs of these repairs are based on unit prices bid by Cliffside Paving LLC.

Attached is the scope of work and estimated construction costs for the Miscellaneous Repair Biennial Contracts: 2022-2024 – August 2023 Project. OMI developed the list based on field inspections and resident concerns and has estimated quantities and costs for the project.

The proposed August 2023 Project consists of six repairs in Union City, one repair in Weehawken, and fourteen repairs West New York. The Construction costs for the twenty-one repairs is estimated to be \$98,000.00 and repairs should be completed in four weeks.
