The apparent low bidder, Montana Construction Corp, Inc of Lodi, New Jersey, submitted a bid in the amount of \$289,111.00 which was \$128,239.00 less than the second low bidder submitted by Spiniello Companies bid of \$417,350.00.

As the attached bid summary indicates Montana Construction Corp, Inc bid is \$48,589.00 lower than our Engineer's Estimate which indicates that the Authority received competitive proposals.

The low bidder, Montana Construction Corp, Inc is a reputable company that has demonstrated the ability to successfully complete the work on similar projects.

Our office has contacted Montana Construction Corp, Inc and they have indicated that they are willing to enter into a contract with the Authority to perform the work.

In our opinion, the Authority has received a competitive and responsive bid for the project. Accordingly, we recommend that the Authority award the Contract to Montana Construction Corp, Inc in the amount of \$289,111.00 subject to review of legal counsel.

Should you have any questions regarding the above, please do not hesitate to contact me.

Very truly yours,

Mott MacDonald
