Subject: The Miscellaneous Paving and Restoration Repairs Contract 2023-2024
October 2023 Project

Dear Mr. Conger:

The Miscellaneous Paving and Restoration Repairs Contract 2023-2024 will be awarded to D&L Paving Contractors on October 19, 2023. OMI has prepared a milling and paving project for October 2023. The estimated costs of these repairs are based on unit prices bid by D&L Paving Contractors.

Attached is the scope of work and estimated construction costs for the Milling and Paving October 2023 Project. OMI developed the list based on field inspections of sewer repairs made by NHSA, and has estimated quantities and costs for the project.

The proposed October 2023 Project consists of four areas in Union City. The work includes milling, paving and striping street per the contract specifications. The estimated cost of this work is approximately \$350,000.00.

If you have any questions or require additional information, please contact me.

Sincerely,

Philip G. Reeve
Assistant Project Director
