Subject: Major Miscellaneous Repair Biennial Contracts: 2024-2026
April 2024 Project

Dear Mr. Conger:

The Major Miscellaneous Repair Biennial Contracts: 2024-2026 was awarded to Spinello Companies on January 18, 2024. OMI has prepared a repair project for April 2024.

On April 5, 2024 a sewer main collapsed on Hudson Street just north of Hudson Place in Hoboken. Spinello Companies responded and replaced approximately 30 linear feet of 12 inch vitrified clay pipe with new 12 inch pvc pipe.

OMI developed the estimate based on quantities and bid costs for the project. Actual costs for the work have not been invoiced by the contractor.

The construction costs for the repair are estimated to be \$30,000.00.

If you have any questions or require additional information, please contact me.

Sincerely,

Philip G. Reeve
Assistant Project Director
